

List of Needs TAT Cluster Homes

I am an Almond Tree Child of Promise

These are items that I need which make me feel safe and loved:

- Face cloth
- Soap, vaseline
- Deodorant roll on (boys and girls aged 8-13 years)
- Toothbrush & toothpaste (ages 4-13 years)
- Sunblock
- Stationery items: blue pen, pritt glue stick, color pencils, twisties and colouring in books
- Single bed waterproof mattress protector
- Single bed linen
- Bath towel large
- Swimming costume, goggles, swim cap, towel, waterproof swim bag

The children do not often receive new shoes and clothing, these items are always a wonderful gift for them.
